## Environmental Policy

We are committed in providing our clients a professional service and believe we offer a top quality performance.

To achieve this we:

- Ensure equipment is presentable
- Service equipment regularly and make sure in working order
- Replace and dispose of equipment in the appropriate manner
- Adhere to sound limiters and ensure volumes are at an appropriate level
- Ensure lighting is positioned at an angle as to not affect vision
- Dispose of waste and litter leaving venues as we find them
